

SCHOOL CHILDREN

BEGIN VACATION

Eighth Grade Pupils Receive Certificates at Last Sessions.

There are some 8,000 happy boys and girls in Washington this morning. They'll be off for the fishing grounds, the swimming holes, the parks and the woods from now until school begins late in the fall.

The last of the regular sessions were held in the grade schools yesterday. Special exercises took place in most of the divisions yesterday afternoon. Lettewick, chairman, president of the Washington Chamber of Commerce, spoke yesterday at the exercises for eighth grade graduates of the Third Division at Central High School. Success, Mr. Singlar told the graduates, was possible to them all if they would make use of their opportunities. He emphasized the necessity of "hard" and determination to help them win. Exercises for the eighth grade graduates of the First and Second divisions were held at Western High School, where Representative Byrnes of South Carolina, was the chief speaker.

At the old Central High School, Dr. Clarence True Wilson delivered the address to the eighth grade graduates and Mrs. Margarita Spaulding, member of the board of education, presented the certificates. Arthur D. Hall, secretary of the American Peace Society, spoke to the Seventh Division exercises held at Eastern High School. A short address was also made by A. T. Stuart, director of intermediate instruction.

The speaker at the exercises of the Fifth Division in McKinley Manual Training School, was Representative Oliver of Alabama. A prize was presented to Louise B. Luerssen, of Arthur School, by the W. C. T. U. for a temperance essay. Prizes for breadmaking were awarded Ruth T. Munday, of Twining School, and to Wilhelmine S. Richman, of Emory School.

Rev. C. C. McLean, pastor of Douglas Memorial Church, spoke at the eighth grade exercises of the sixth division at the church. L. A. Johnson spoke at the Eighth division exercises at Jefferson School. Rev. C. Morgan addressed graduates of the Ninth division at Bryan School. At the school board, spoke at the Tenth division exercises at the school board. Captain Peyton, another board member, delivered the address at the Eleventh division exercises at the school board. The Twelfth division exercises at Dunbar School, Rev. J. Frank Gregory spoke, while Rev. J. C. Callis was the speaker at the Thirteenth division exercises in Zion Baptist Church.

NORMAL GRADUATES RECEIVE DIPLOMAS

Senator Wadsworth Urges Self-Control Upon Future Teachers.

No democracy can live without self-control, Senator James W. Wadsworth, Jr., of New York, told fifty-five graduates of the James Ormond Wilson Normal School at the commencement exercises yesterday afternoon.

It is the duty of the public schools to teach self-control, and they can do no greater work, he declared. "The public schools are failing abroad," said School Superintendent "Ireland," in an address to the graduates. "We must not let them fail in this country. A great responsibility rests upon them. You teachers are called to service."

Ernest H. Daniel, vice president of the Board of Education, also spoke. It was a commencement with many flowers. The young women who received diplomas wore plain white dresses. Oak leaves, palms, and American flags formed the decorations.

Rev. Forrest J. Prettyman, chaplain of the United States Senate, opened the exercises with prayer. A musical group sang hymns and the class. Following are the names of the graduates: Domestic science course, Carrie Frances Meany; kindergarten course, Mildred Agnes Couch, Dorothy Louise Hoskinson, Dorothy Saxman, Hulifah, Mary Pollock, McCallum, May Imogene Mann, Naomi Leathana O'Neil, Hazel May Priest, Dorothy McKinstry Seaton and Louise Evelyn Steinberg; general course, Margaret Garrett Appold, Helen Barclay, Dorothy Louise Beauregard, Ruth Bell, Margaret Kerr Beveridge, Anna V. Bowden, Helen Brinkman, Ella Brown, Margaret Josephine Chapman, Eleanor M. Clarkson, Ruth Eleanor Dick, Vietta Marala Droncy, Nellita Adelaide Dwyer, Mary Elizabeth Estep, Marion Loretta Ferris, Dorothy Jessford, Marguerite Golze, Marjorie L. Haines, Loretta Hannan, Elizabeth Anne Harris, Beulah Etelle Harvey, Evelyn Margaret Hicks, Lulu Hebe Holby, Ethel Howell, Hazel Dorothy Hughes, Louella Townsend Jacobs, Alice Blanchard Johnson, Elsie May Keehanse, Pauline Lohmann, Esther Madeline Mack, Carmen Louise Mayer, Ruth Elizabeth Mayers, Martha Miranda Melick, Madeline Ursula Mudd, Eleanor Frances O'Leary, Edith Prettyman, Alice Lavetta Rabbit, Elizabeth Margaret Ramey, Grace A. Firm Seeks Dissolution

The District Amusement Company, former owners of a moving picture theater in Ninth street, northwest, and composed of Fred W. and John H. Miller and T. D. Harper, yesterday filed a petition in the District Supreme Court requesting dissolution of the firm, which was originally capitalized at \$10,000.

HE WORKS FOR C. & P. TELEPHONE CO.

Suffered from Dizzy Spells, Gas on Stomach and Nervousness—Takes 4 Bottles of Drecto and Claims He's Well.

"It is not very good feeling to climb one of these high telephone poles and begin to feel dizzy," said Mr. H. C. Smith who is a well known itesman for the C. & P. Telephone Co. in Hagerstown. "I used to have those dizzy spells some times, since taking Drecto I haven't had a single one. I also have a bad stomach trouble and everything I ate seemed to sour and form gas and give me that bloated feeling. I would wake up of mornings with a bad taste in my mouth, and a foul breath. Lots of nights I couldn't sleep much on account of my nervousness and would roll and toss from side of the bed to the other. "A friend of mine insisted that I try Drecto, the new root and herb medicine, and I did, and I am happy that I started on it for it sure has done me lots of good. It has increased my weight, relieved the nervousness and put my stomach in a fine state. I never have the gas any more. I get good nights' sleep and awake in the morning feeling fine. The bad taste in my mouth is a thing of the past as well as the foul breath. As a general tonic and body builder, I don't think anything can beat Drecto. "As a strengthener and builder of the system, there is nothing to equal the new tonic, Drecto, the new herbal stomach remedy. This wonderful remedy that has taken the country by storm, is made from the juices and extracts from many different herbs and plants, rather than from any one of the stomach, liver, kidneys. It purifies the blood, aids digestion, strengthens weak nerves and restores the whole body. Drecto is sold by all the O'Donnell Drug Stores and the "Drecto Drug" in many other towns.—Adv.
